

Alpacas 101 - What To Do Next

This class will provide an overview of alpaca ranching. Topics and materials are designed for those looking to raise alpacas for fun or profit.

- How much time, effort and experience are necessary to care for alpacas?
- What to look for in fleece & look out for in conformation?
- How do genetics or show system play a part in the equation?
- What types of facilities or pastures are needed?
- What is an Alpaca business? Is it about the fiber or is it about selling babies?
- *And More . . .*

This class is offered at no charge and is held during our Open Barn events at 1:00 pm Saturday and Sunday (or at other prearranged times).

Happy Trails
