

Stargazer “Ranch-Hand” Day

Ranch-Hand Day is a 6 to 8 hour class designed to help participants develop alpaca husbandry and herd management skills. You'll be asked to assist with as many routine maintenance items as we can schedule. We will share our protocols and resources we've developed to help you prepare for birthing, breeding, cria care and common treatments.

Experience a day as an alpaca rancher. Learn from our twelve years of experience raising alpacas. Class will focus on the following topics:

- Veterinary care, handling, breeding, birthing, feed, cria care and recordkeeping
- Facility set-up, fencing and pasture requirements
- *And More . . .*

Fee includes all materials, beverages and lunch.

Advance registration is required. Class fee is \$75 per couple; \$50 for single registration.

Payment can be made by check or credit card.

Class Starts at 8:30am and finishes by about 4:30pm ... *or so.*

*Sometimes opportunity is missed
because it was dressed in overalls
and looks like work.*
