

STARGAZER RANCH ALPACAS

Stargazer “Ranch-Hand” Day “Arriba-Alpaqueros”

This is a hands-on introduction to alpaca husbandry and herd management. Participants will be asked to help with as many routine maintenance items as we can schedule. We'll share our protocols and resources for the areas that interest you. By appointment only.

Is it time to cowboy-up? ... or as they say somewhere down south... “Arriba-Alpaqueros”!

Ranch-Hand Day is an individually arranged workshop designed to help you learn about caring for alpacas as well as fiber (wool) characteristics, preparation and processing.

Experience a day as an “Alpaqueros”. Learn from our decade plus experience raising alpacas.

Class fee is dependent upon number of participants and our individual agenda. (Usually about \$50 for a day per person which includes food and beverages.)
